- Dedicated Multinational Client Executives for assigned clients enable consistent execution of tailored solutions, keeping clients protected across borders with local coverage in over 215 territories.
- We have decades of experience providing Multinational captive fronting solutions, with more than USD 500 million in premiums flowing to AIG client captives in EMEA each year.
- Bespoke tools and insights provide clients and risk managers with pre-bind compliance considerations, territorial analysis, and timelines, as well as real-time access to portfolio summary, policy and premium status, and claims information post-bind.

AIG Claims Expertise

- We have handled more M&A claims globally than any other single insurer (in fact, we regularly publish our insights into M&A claims trends to help inform brokers and clients).
- Our M&A clients benefit from a single insurer and decision-maker handling and settling their claims rather than dealing with several parties where an MGA may have arranged capacity.
